# WELCOME TO SUFFOLK

and

## DOGS IN NEED CHAMPIONSHIP SHOW

where we can offer you the beautiful **Suffolk Showground** – acres of flat, mown grass with good roadways and good drainage, and close to more acres of woodland for cool dog-walking, plus agility, including of course the prestigious

### Genesis and DINAS Classic Tournaments.

For your day off on Thursday it's also close to the coast, unless of course you've done something silly like take your agility seriously and qualified for the Thursday Finals! Or you can just chill out in the sunshine, drink in hand, and watch those serious folk strut their stuff in the Finals in Ring 1. There's just about everything you might want in the Retail Park just down the road from the Showground, including **Sainsbury**, who stock up especially for us each year, and lots of places to eat. On the showground itself there's Trade Stands and Food Stalls, and the **Genesis** stand so you don't need to cart all that heavy dog food with you – more room for bottles!

In the evening in Whispers, our very own nightclub, we have **FREE ENTERTAINMENT** (exclusive to DiN Competitors and Campers) Proposed Entertainment:

**Monday** – Childrens Disco **Tuesday** – Bingo & Disco **Wednesday** – For one night only agility does Rocky Horror Show & Disco – TV and Film past & present – Character fancy dress optional. **Thursday**: Raffle draw at the finals.

**Friday** – Punch & Judy(1-2pm) Childrens Party(4-5.30pm) 5 Aside Football 5pm Quiz & Disco

**Saturday** – End of Week Bash & Disco

**\*\* NO BAR – BRING YOUR OWN BOOZE \*\***

**SHOWERS & LOOS** positioned throughout the site and the ever popular **W.I. PRODUCE STALL** will be visiting the site.

--ooOoo--

**Dogs in Need** was originally created as a holiday with your dogs. Despite the massive increase in size, we still try to retain the holiday atmosphere, with the added buzz of competition and that 'feel-good' feeling that our enjoyment is helping many small dog charities. Or perhaps that should read small charities helping dogs! Every year, many thousands are distributed because of YOUR generosity, so enjoy yourself – you deserve it! To get a really warm glow, read the thanks and testimonials on display in the information centre. With your help and support, Dogs in Need has shown these hard-working people that they ARE noticed and appreciated, and hopefully we've helped them to carry on when the going's got tough.

We extend huge thanks to our main sponsors: **Genesis**, and the **YKC**. Thanks also to all the other sponsors who help us to raise funds by sponsoring individual classes – Sainsburys, who look after us so well each year, doggy businesses, local businesses, clubs and individuals, all help to raise funds for those important smaller charities. Fancy a class named after YOUR club next year? Or to record a special occasion? Have a chat with Rosemary and she'll be only too happy to help.

We need your help to run this show – 624 people just to keep the rings running smoothly. Camping is limited to 800 units and preference will be given to helpers. Please complete the Helpers Form if you are willing to help. **YOU DON'T HAVE TO CAMP, OR EVEN RUN A DOG, TO HELP – THE MORE THE MERRIER (AND EASIER!)**. It's a great way to meet new people and make new friends. The more helpers, the less for each one to do and the more we can all have a holiday. And please help the helpers – the boot may be on your foot the next day! Don't worry if you've never helped on a ring before – now's the perfect time to have a go. Start gently with putting up poles, and you'll soon be running pads like a pro.

Every year we have our usual band of 'resident' helpers – the friendly 'cycle psychos' who escort you to your camping spot, the Ring Managers who ensure your runs go as smoothly as possible (sorry – they can't guarantee clear rounds though), and the 'food fanatics' who keep all you helpers well fed and watered during the day. There's also the ones you don't see who work hard at preparing the showground while you're all leisurely packing your holiday gear, or fighting it out at the KC Festival. They're clearing up again afterwards as you all head off back along the A14. A lot of people put in a huge amount of effort, so if you spot anyone dozing quietly in an odd corner at the end of the week then just treat them like a roundabout and step round them – they've probably earned it!

The cut-off date for entries will be the 22nd June.

**Unfortunately we must still mention the boring bits,  
but if we do it here then we don't need to do it over the PA!**

**This schedule provides all the information you need to make the most of your week's holiday with your dogs. It also includes all the rules and guidelines covering the week, which must be strictly adhered to so to make the most of a good time we suggest you read through it.**

**Security: ID bracelets will be issued on arrival Which Must Be Worn All Week  
Vehicle & Camping passes will be issued on arrival. These Must Be Displayed All Week**

These are for your safety and security. Replacement bands will be available from the Local Help station situated behind Trinity Rooms.

If you've got DOGS or CHILDREN then this bit's for you – which means it's for everybody.

Rule 39: People or dogs acting in an unreasonable/irresponsible manner will be removed from the show and forfeit all fees paid. All under 18's must be accompanied by an adult who will be held responsible for their conduct for the duration of the show.

PLEASE CLEAR UP after your dogs and place in the bins provided. If you knowingly don't, we will tell you to leave – it's as simple as that. So BAG IT & BIN IT!!

Please don't bring training equipment with you because we will not let you use it and you'll have carted all that weight around with you for nothing. Much better to use the space for another couple of bottles.

If you have children with you then they are your responsibility, and are assumed to be under your supervision at all times. Yes – even if they're 6ft tall and tower over you! This means you always know where they are and what they are doing. And if what they are doing is anti-social then we may ask you to leave. We may sympathise, but we don't condone. Parents, please advise your children on safety measures on site, with particular emphasis on road safety and bikes.

Remember the 5mph speed limit doesn't just refer to 4 wheels but 2 wheels as well (and anything else you can find to move about on)

**There will not be any measuring at the Show.**

And of course – THE RULES – you do of course read them avidly on every schedule you receive, but could we ask you to read **Rules 32** onwards again, just to make sure. These are particularly pertinent to the Dogs in Need show. All of the pages in this schedule relate to Rules and Regulations and must be adhered to. So this is a rule to read the Rules!

Due to restrictions placed on us by the local council there will be a reduced PA area, but for all your information and announcements Radio Dogs In Need will be broadcasting again this year, wavelength will be near to last years 86.6 FM and will be confirmed with your running orders. This will be during show hours for general announcements and 24 hours a day for emergencies.

Anyone whose dog is entered at a Kennel Club licenced event should take all reasonable steps to ensure that the needs of their dog(s) are met, and should not put a dogs health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations

**Warning: if your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.**

**Dogs In Need is a Private event and not open to the general public.**

**We wish everyone a week of good weather, good agility and lots of laughs.  
Have fun, and good luck in your classes.**

**The Dogs in Need committee**

## WHAT CAN I ENTER?

**YOUR DOG MAY ENTER ANY 2 INDIVIDUAL CLASSES PER DAY FOR WHICH YOUR DOG IS ELIGIBLE PLUS ANY ELIGIBLE PAIRS, HELPING HANDS & YKC CLASSES**

That's basically it. Your dog can only enter a **YKC** class providing the handler is a member of the YKC. Your dog can only enter **Helping Hands** if the handler does not run in any other class all week but helps at the show. You can only enter the **Fancy Dress Pairs** if you dress accordingly. Please note, the **Junior Classic** classes are included within the two-run limit, they are NOT extra classes.

## WHAT CAN'T I ENTER?

Just as easy –

**NOT MORE THAN 2 INDIVIDUAL CLASSES PER DAY FOR WHICH YOUR DOG IS ELIGIBLE!  
(with the exception of the above exceptions!)**

Now **everyone** has the same number of runs – how's that for fairness? As usual a dog may only be eligible for, and therefore gain points towards, one **Classic Final** – although they could enter classes for different **Classic** heats (eg an ABC jumping and a Graded Jumping) – so you must tell us which Classic you want to earn points for. Full Classic rules can be found on page 15.

## WHAT DO I GET IF I'M BRILLIANT?

Apart from the admiration of us lesser mortals, we will be awarding Trophies to 1st place in all classes, to second place if entries reach more than 30 and 3rd place for more than 50 with the exception of the Junior Classes where we will be awarding 1st – 3rd trophies in all classes.

Rosettes to 10% in all classes. Clear Round Rosettes in all standard classes which must be collected at the ring as soon as you have got the necessary clear round. (Please also see rule 44) prizes will be awarded for Best Costumes in the Fancy Dress.

Special Rosettes

Sue & Kim Taylor in memory of their English Springer Spaniel, Beckdale Jasper are sponsoring special rosettes to the highest placed gundog in the following classes:-

Large Dogs 1, 2, 3, 4, 16, 17, 47, 48, 49, 90, 91, 92, 93, 104, 105, 131, 132, 133 & 134

Medium Dogs 18, 19, 61, 62, 107, 108, 147 & 148

It is the responsibility of the owner/handler to notify the scoreboard if they have a gundog.

And the really clever clogs get the chance to compete in: **THE WEEK'S FINALS**, where you can win:

1st – 3rd: Trophy + Special Trophy for highest placed "other grade" in all except ABC & Juniors Final.

Rosettes: 1st – 5th + Finalists Rosettes

Full details and Rules for the Classic Tournaments can be found on Page 15.

And WWW.Agilitymovies.com will be on site filming....you could be famous!!

**Beach Babes & WWF Wrestlemania Pairs Jumping**

**Think Sea – Sand – Fishnets!!**

**& don't forget the Wrestling Divas**

**Special Guest Judge: Sandy Bottom & Special Guest Referee: Edge**

**2 courses – 1 for the Beach Babes 1 for the Wrestlers**

**Fancy Dress is Compulsory – No Fancy Dress = You Don't Run**

**Search WWF Wrestling for ideas**

## HOW DO I ENTER

You will need:                    1 Header Form to cover all the entries and fees and NFC dogs  
Entry forms for your **COMPETING DOG(s)**  
Camping and Helpers Form

- 1 Please complete just **ONE Header Form** to cover all the forms and money enclosed in your dog/class entry envelope.
- 2 Ensure you list all your **NFC** dogs on the Header Form and sign to accept the Declaration. They must be 4 months old or over, and registered or Name Applied For with the KC.
- 3 Complete an **Entry Form** for each competing dog. Enter ONE class number only in each box – writing tiny and squeezing 2 in wont let you enter more classes! Make sure you let us know which Classic you are competing for, especially if you have entered more than one type (say Grade 1-2 Jumping and ABC Jumping)
- 4 If you are entering a **Championship Class** then you also need to list your dogs qualifications for this class. You may opt out of having your address printed in the Championship Catalogue.
- 5 **Please** check the class restrictions carefully – we cant refund if you enter too many.
- 6 Complete the pairs section, if applicable. If the same pair is entered in more than one pairs class then you only need to enter it once and list the relevant class numbers in the box provided. Make sure your pairs partner is entered in the Show and not entered with another partner.
- 7 If your dog is only entering a pairs class or you are eligible for the Helping Hands invitation class you still need to complete an Entry Form so that they get a ring number, otherwise they will be assumed not to be entered for competition. Simply write "Pairs Only" or "Helping Hands Only" in the area provided for noting any change of handler – we'll know what you mean.
- 8 Complete a **Camping Form**, if applicable and a **Helpers Form (PLEASE) even if you're not camping**. Remember to tell us who you want to camp with and remember to tell the rest of your camping group to use the same name. If John Brown says he wants to camp with Joe Bloggs, and Joe Bloggs says he wants to camp with John Brown they will probably both end up very lonely. Indicate accordingly if you require electric hook up. Remember, it is your responsibility to provide a cable that is long enough to plug into the supply (minimum 25 mtrs). **IT WILL REQUIRE A STANDARD 13AMP – 3 PIN PLUG ON THE END**. Electric hook-up can only be supplied if pre-paid, and is 240v supply only. Electricity supply cannot be guaranteed and we recommend that you bring an alternative source of power with you as back-up. All entries, camping & electric applications must be made on the appropriate official entry forms and paid in full by close of entries. Please Note: Camping pitches are approximately 9m x 6m. If your unit plus any ATTACHED awning is over 9m in length remember to specify the length on the Camping Form in the box provided. If you pitch any other unit within your pitch area (eg tent, etc) there must be a minimum 3m gap left between units. These are fire regulations and **MUST BE ADHERED TO**. Any units not complying will be asked to move, so for your own sake please ensure you book enough pitches to accommodate your set-up. We cannot guarantee where any overflow camping will be sited. **Camping numbers are limited to 800** – helpers take preference if over subscribed. **IF YOU DO NOT WANT YOUR ENTRY PROCESSING IF CAMPING IS FULL THEN YOU MUST TICK THE BOX ON THE CAMPING FORM**. Rules 40, 46 and 50 also particularly apply, so to avoid any confusion here they are again:
  37. For the safety of dogs/people it is the responsibility of those using electric hook-ups and/or generators to provide adequate protection for cables and their own lead. People camping in groups who require electric will be sited nearest to the electric supply points.
  43. No camping units allowed on the Show ground before 9.00am Monday 17th August 2009. Early show helpers will be sent passes and must book in on arrival. **NO PASS – NO EARLY ENTRY**. Camping numbers are limited to 800 – helpers take preference if oversubscribed. The Show ground will be locked from 24.00hrs – 7.00 hrs each night. Camping units will be received Monday 17th – Saturday 22nd between the hours of 9.00am – 8.00pm only.
  47. All camping roadways on site must be kept clear at all times. The erection of training equipment is forbidden.

Each year we need more than 500 'people days' in help. That's one day for 1 in 3 of you, half a day for 2 out of 3, but just a couple of hours if you would all help. If you can supply a complete ring party (12 people) then please state 'RING PARTY' on the form and list their names so we can camp you all together.

Gather all your papers together, grit your teeth and write your cheque(s). **Read Page 2 again**

- 9 Put your camping forms & dog/class entry forms in separate C5 (A5) envelopes, so you do the minimum amount of folding, we do the minimum amount of unravelling, and you pay normal postage. **REMEMBER – IF YOU USE A LARGE A4 ENVELOPE, OR FOLD IT ALL UP REALLY SMALL INTO A SMALL BUT FAT ENVELOPE, THEN THE POSTAGE IS HIGHER**. Underpayments not only cost a lot but will hold up your entry as we have to go and collect it. **Make sure you put the correct address on...**And finally-

**PLEASE DON'T STAPLE!!!**

## FINAL FINAL CHECK!!!

**JUNIORS** – are you eligible? Check the junior classifications carefully – Saturday’s junior may be Tuesday’s adult.

**PAIRS** – if somebody enters your dog in a pair and there is no individual entry form for that dog, or you have entered him NFC, then he will be deemed NOT TO HAVE ENTERED and we cannot subsequently put him in a pair. Remember, we are unable to accept half pairs.

Finally, please make sure you list all your NFC dogs you’re bringing for a holiday – we’d hate to send them away with a stick attached to a tied spotty bag over their shoulder! Your NFC dogs should be listed on the Header Form and the declaration signed for them.

### AND IF IT’S STILL WRONG?....

Because of the volume of entries, we may make the following assumptions concerning incorrect entries:

**INCORRECT FEES:** under payment and we will chase you for the loot! Over payment, and thank you very much for your generous contribution. (well, it is for charity!). Bounced cheque or fees remaining underpaid? We will return your entry.....

**INCORRECT CLASS ENTRIES:** for dogs entered in more than the allowed classes, we will remove them from the highest grade non-special agility class, followed by the highest grade non-special jumping class. Championship classes will not be cancelled. **Juniors** entered as an addition to a dog’s two entries will be removed from the junior entry. If your entry is sent in early enough when we’re still in bouncy mood, we’ll ring you first to check, but as closing date approaches – beware!

### AND FOR THOSE PEOPLE WHO CAN’T BE BOTHERED TO READ ALL THAT - A FEW POINTS TO LOOK OUT FOR.....

Remember, your dog may only enter 2 individual classes in any one day, *regardless of who is the handler*, with the exception of Helping Hands and YKC, plus Pairs. If you enter Classic classes from different classics (for instance, a Graded Agility and Junior U12 Jumping) then PLEASE tell us which classic you want to collect points for. If not, then we shall nominate a classic as defined above under Incorrect Class Entries. Changing the handler of the dog will not change these restrictions!

If you are entering a Junior class then we need to know what size your dog is – make sure you enter the correct size or your small might be in for a nasty shock when faced with large jump heights. If you are borrowing a dog, then do check that the owner isn’t judging that day – you won’t be allowed to run their dog. And if your parent is completing the entry form for you then make sure they are aware of how much you’re growing up and get your age classification right – some adults don’t admit to the passing of time!

**Helping Hands** – This class will be a Free of Charge invitation jumping event on Saturday, for all sizes and all grades (so borrow a good un). Handlers must not have run a dog in any other class during the week and, of course, must have helped at the show during the week. This class is for those noble helpers who do the work without running a dog. If it was just for anyone who helps then it would have about 2000 dogs in it! (We hope!). For your invitation to run see the Show Manager or Show Secretary. Maximum 2 dogs per handler. See also page 5 item 7.

**CLASSES FOR JUNIOR HANDLERS: Tuesday & Wednesday & Saturday** – special Junior classes are available on these days. You must be a member of the YKC to enter the YKC class on the Saturday. Dogs may only be entered in one age category in each class, regardless of handler. Please check the different age categories carefully.

**Please note: junior classes are included within the two classes limit for the dog.**

### RULES FOR THE AGILITY CLUB STARTERS CHALLENGE HEATS

## DINAS Junior Classics

If you're 16 or over then this bit doesn't concern you, you're in with the big boys now, but if you're under 16 then these may be for you. The rules for what a dog may enter have changed to make it easier for everyone, but it may have an effect on you if you run someone else's dog.

Every dog is restricted to two runs per day, plus any eligible pairs class, a helping hands run, and the Saturday YKC classes. That means if the dog's owner wants to run their dog in two classes on the Junior Classic days (Tuesday and Wednesday), then you won't be able to run it. But there's plenty of time to run little errands, put a sweet smile on your face, and generally grovel – they may just relent.

If you're lucky enough to have your own dog, or have managed to win round a kindly owner, then make sure whoever completes the entry form puts you in the right age group. You may have just had your 12th birthday, but in their eyes you're still their little soldier!

# THE GENESIS & DINAS CLASSICS

## PLEASE READ THE RULES CAREFULLY!

- 1 The **GENESIS & DINAS Classics** will be in fifteen categories. Each Classic will have four qualifying classes, 2 agility and 2 jumping, for which points may be gained to qualify towards the Invitation Final.
- 2 **Dogs** may enter a maximum of any **two** Classic classes per day for which they are eligible, but may only qualify for one Final. If no Final has been nominated, and it is not clear which Final applies, then the Final may be assumed by us.
- 3 Points will be awarded according to any place achieved in each class of the nominated or assumed Classic, as per the official prize-giving for that class. Points will also be awarded for unplaced clear rounds. 1st place will receive 50 points, 2nd place 49 points, etc. down to the last place awarded. Unplaced clear rounds will receive 10 points.
- 4 The main handler on the entry form will be the handler listed in the posted league tables, and will be the handler invited to compete in the Finals. If this is not the correct handler, then the required handler must notify Agility Aid in writing prior to noon on the day before the relevant Final.
- 5 A full listing of dog/handler combinations achieving points will be displayed at the Show after the first 2 heats and again after the 4 heats. Those appearing in the final listing up to and including the designated lowest place will be invited to take part in the Finals on Thursday 14th or Sunday 17th August 2008. In addition, two white dogs will be invited by the show Manager. Only handlers who have not qualified as a Finalist for that Classic may run as a White Dog. The 2 white dogs invited for each Final will receive a commemorative rosette.
- 6 Invited finalists **MUST** book in the morning of their Classic at Ring 1's score tent by the designated time or they will not be allowed to run. Booking in for **Finalists** is achieved by completing a commentary card (supplied in the score tent) and posting it in the relevant box there. Full details will be supplied at the Show.
- 7 A list of invited Finalists will be displayed at the Show the evening of the last Classic heats for that Classic.
- 8 There will be a minimum of 15 Finalists invited for each Classic. For the combined 1-2, 4-5 and 6-7 Finals there will be an equal percentage of dogs qualifying from each grade. The actual number to qualify will be decided on close of entries, and these numbers will be displayed on the Dogs in Need website, and at the Show.
- 9 There will be **NO** reserves called for the final.

**Full details, rules, listings and results will be found in the Classic Rondo in the Main Ring**
