LARGE CLASSES: Only open to dogs which measure over 430mm at the withers.

ELIGIBILITY FOR CLASSES In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full Height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two height with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or at the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

Standard Classes: Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary) - For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Grade 2 (Starters) – Open to dogs which are not eligible for Grades 1,3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate) - Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice) - Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate) - Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior) - Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced) - Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes".

The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles and the A-ramp, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

ANYSIZE SPECIAL HELTER SKELTER: Open to all sizes of dog that are not entered for any other class at this show. These classes are intended for dogs/handlers new to competition and those dogs unable to compete at their full height. Only jumps and pipe tunnels will be used and jump heights will be set at 450mm, 350mm and 250mm. Competitors may choose the height they want to compete at. The courses will be simple and flowing. The handler may choose which height is best for their dog, regardless of their dog's size. Please ensure you are ringside when the jumps are at the height you wish to do, they cannot be altered once changed.

THE KENNEL CLUB OLYMPIA AGILITY STAKES Supported by Skinner's RULES 2017

All events must be judged under the appropriate Kennel Club Regulations H & H(1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these rules. All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these rules. All Kennel Club supported competitions must be judged using standard marking. If the entry for the heat exceeds 360 the class must be split into two equal parts. If the entry exceeds 540 the class must be split into three equal parts. No part, if split, may be less than 150 dogs. Rosettes and awards remain unchanged if the heat is split and will be given for each part. Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book. The handler that qualifies a dog for the Quarter-Final / Semi-Final / Final will be the handler that competes, handler substitutions are not allowed. Dogs cannot compete in more than one competition at Olympia. If a dog qualifies for more than one Quarter-Final or Semi-Final at the Kennel Club International Agility Festival the first successful qualification will take precedence and the dog will be withdrawn from any further Quarter / Semi-Finals and replaced by a reserve. All winners of the Olympia Grand Finals will be invited to compete in the following year's Quarter-Final or Semi-Final at the International Agility Festival without qualifying through the usual procedure via heats. For the Novice winner this will be dependent on the dog still being eligible for grades 3 – 5 on the date of entries closing for the Kennel Club International Agility Festival

(These rules would be amended if any changes are made to Kennel Club Agility Regulations during the course of the competition year).

THE KENNEL CLUB OLYMPIA LARGE DOG AGILITY STAKES Supported by Skinner's

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Quarter-Finals and also the Semi-Final at Olympia, however only the competitor's highest placed dog at the Semi-Final will qualify for the Olympia Grand Final. Once a dog has qualified for the Quarter-Final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the Quarter-Finals/Semi-Finals. The first five previously unqualified placed dogs from each heat will go forward to the Quarter-Finals at the Kennel Club International Agility Festival held annually in August, if the heat is split then three dogs will be taken from each part. The first twenty dogs from this Quarter-Final will qualify for the Semi-Final at the London Olympia Christmas International Horse Show. The 20 dogs who qualify for Olympia will compete in the Semi-Final at Olympia (subject to the above). Those dogs eligible to compete in competition for Large dogs are those measuring over 430 mm (1 foot 5 inches) at the withers. This competition will be classified as combined Grade 6 and 7 and judged under the Kennel Club Regulations for standard classes.

THE KENNEL CLUB OLYMPIA LARGE DOG ABC AGILITY STAKES Supported by Skinners

This competition is a *special* agility competition open to all dogs <u>excluding</u> Border Collies, Working Sheepdogs and any of their crosses. In the event of a dispute over the parentage of a dog, a decision will be left to the judge's discretion. Those dogs eligible to compete in competition for Large dogs are those measuring over 430 mm (1 foot 5 inches) at the withers and open to dogs in grades 3 to 7 and judged under the Kennel Club Regulations for standard classes. Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Semi-Final, however only the competitor's highest placed dog at the Semi-Final will qualify for the Olympia Grand Final. Once a dog has qualified for the Semi-Final/Final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the Semi-Final Thial. The first three previously unqualified placed dogs from each heat will go forward to the Semi-Final at the Kennel Club International Agility Festival held annually in August, the first ten dogs from this Semi-Final will qualify for the Final at the London Olympia Christmas International Horse Show (subject to the above). DOGS IN VEHICLES ON HOT DAYS - SHOW SCHEDULE NOTICE

Your dog is vulnerable & at risk during hot weather & the Kennel Club offers the following guidance to help guide you through the do's & don'ts travelling to & whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is a busy holiday route, & leave earlier to avoid increased time in traffic jams.

If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible, & plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade – take your own shade for example a large umbrella & always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter & dehydrated, and this could lead to dire results. Please look after your dog's welfare.

23.	Dog Agility is a competitive and physically strenuous activity. It is the responsibility of the owner/handler to ensure their dog is 'fit for function' and that they
	themselves are fit to take part. By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on
	the day of the show.
24.	In estimating the number of awards won, all wins up to and including 25 days before the start of the competition, i.e. 9th May 2017, shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes
	eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least
	14 days before the date of the show. The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the
	corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor will be offered a
	refund of the relevant entry fees. All wins up to and including 9th May 2017 shall be counted when entering for any class. Grade changes should be
	notified to kate@agilityshows.online by 20th May 2016.
25.	Should circumstances so dictate the Society, in consultation with the Judges, may alter arrangements as necessary. Such changes and the circumstances
26.	surrounding them will be reported to the Kennel Club. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor
20.	has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3
	months of the show date to all those who had entered and requested a refund within 1 month of the show date.
