Important Information

Newark Showground 4th and 5th July

Dogs Unleashed are holding a two day multi-MUTT doggie event at one of the countries most centrally located and popular venues, 'Newark Showground'.

Already confirmed for the event are licensed and pre-entered competitions such as Agility, Flyball, Heelwork to music and Gundog working tests.

The event has also attracted numerous dog displays and a fast growing number of other doggie attractions.

The BAA agility will run along side all the attractions and events and will give the public an insight into the world of agility.

The Dogs Unleashed final from the Midland Counties qualifier, held at the June Show will be run on the Saturday (time to be arranged).

Each handler entering the show will be sent two free entry tickets into the showground. Camping is charged at a set price of £20 for all three nights (fri, sat, sun). Unfortunately camping is a set at £20 regardless of whether the competitor wants to camp less than the three nights available. Camping and day parking are hopefully going to be close to the rings, but the show layout has yet to be confirmed.

There will be no vehicular movement between 9:30 and 18:00. If you wish to use your vehicle between these times then you have to move into day parking before 9:30 on the morning.

Extra tickets/passes into the show can be purchased with the entry form for a discounted price of £3.50 or can be purchased on the gate at the full price.

Toilets and showers will be available.

Full show details and tickets will be sent with running orders. There will therefore be **NO ONLINE RUNNING ORDERS FOR THIS EVENT.**

Help!!!!

A condition of entering a BAA show brings a requirement that all competitors give some time, to assist at a ring. It is one of the things you are agreeing to when you sign the entry form. If you do not wish to help then please do not enter a BAA show.

All competitors will be allocated a time slot when they will be required to make themselves available at a ring. This will be marked on your ring cards. Each ring will have a Ring Manager who will be responsible for allocating tasks and arranging relief so that all can enjoy their dogs. If everyone does their bit, then no one should need to work more than an hour or so! No one is expected to forgo running their dog in the process of helping.

Dogs/handlers that compete under other organisations are required to make initial entry to EMDAC shows at the appropriate level as follows:

Dogs which currently compete in Grade 4 or above (KC) by virtue of handlers wins with another dog may enter at one level below – PRIMARY.

Initial entry levels are:

KC Grade 1 = INTRODUCTORY
KC Grade 2 = PRIMARY
KC Grade 3* = PRIMARY or NOVICE
KC Grade 4 = NOVICE
KC Grade 5* = NOVICE or GRADUATE
KC Grade 6 = GRADUATE
KC Grade 7 = MASTERS

Grades 3 & 5 have a choice of entry level.

For dogs not jumping their regulation BAA jump height they can be entered in either:

Pawsability - for dogs of any age that for whatever reason are not able to jump at their designated jump height as specified in height definitions. Choice of jump height 9, 13.75 or 17.75ins. No dog in this class will be permitted to jump over 17.75ins. This category is designed for young dogs just starting their agility careers and also for dogs that are returning to agility after a layoff from illness/injury. Dogs can enter this class at any time and when ready, return to their appropriate ability level & jump height. It also gives opportunity for veteran dogs to enter at lower height before fully committing to veteran classes.

Or alternatively:

Veteran – for dogs of 7 years of age and over. Choice of jump height 9, 13.75 or 17.75ins. No veteran dog will be permitted to jump higher than 17.75ins. Once a dog enters BAA Veteran it will be expected to remain there for the remainder of its agility career and will not be permitted in future shows at Introductory, Primary, Novice, Graduate or Masters.

Status for all BAA shows is that effective at 1st October or initial entry level if entering first BAA show after that date. Dogs may retain their status for the entire BAA show season (1st October to September 30th), if the handler wishes. BAA will keep a record of results during the season. At the end of season the top performing dogs will be promoted to next level, for the following season.

An 'On Application' relegation system also operates to allow dogs to move down the levels. For full details of progression system please refer to 'BAA Rules for Agility Competitions & the BAA website.

A dog may be entered in ONE height category only, Micro, Mini, Medium or Maxi

Please check definitions below – you may find your dog is eligible at a different height category than you compete elsewhere. You may also have a choice of height category.

Please specify jump height category on the entry form.

Micro

For dogs that measure under 12in at the withers. Jump height will be 9in.

Mini

For dogs that measure 15in or under at the withers. Jump height will be 13.75in.

Medium

For dogs that measure over 14in but less than 19in at the withers. Jump height 17.75in.

Maxi

For dogs that measure over 17in at the withers. Jump height will be 24in.

Level Classification A dog may be entered in *ONE* level only, and must be specified in the appropriate box for each dog on the entry form. Levels are:-

Introductory, Primary, Novice, Graduate, Masters, Pawsability* & Veteran 7 to 10 years & Veteran over 10's (Please specify dogs age on entry form)

If you enter at a jump height less than in the size definitions above, you must enter as either Pawsability* or Veteran.

(* Where Pawsability classes are not offered, Pawsability dogs may enter Introductory NFC (Not For Competition))

ON THE ENTRY FORM YOU MUST SPECIFY YOUR DOGS BAA REGISTRATION NUMBER – this ensures that your dog is entered at its correct level and it also ensures that your points tally is maintained correctly throughout the year. (Entries may not be accepted without)

For dogs new to EMDAC/BAA please enter level as follows:

All dogs AND handlers new to agility should enter as INTRODUCTORY. Handlers with new dogs that have never competed at Novice or above should enter their new dogs as INTRODUCTORY.

For handlers that have competed at Novice or above, their new dogs should enter as PRIMARY.

Please read the whole schedule carefully!

There may be some significant differences to what you may be used to!

British Agility Association Rules for Agility Competitions apply to these events. Copies of full show and competition rules available on request on entry form cost £1.00 (Please include an A5 sae) or from the BAA website. www.baa.uk.net

Any dog and handler is eligible to enter BAA shows (though there are some restrictions at the August Bank Holiday Finals Weekend Show). No membership fee or dog registration fee is required. All dogs are automatically registered into the BAA database free of charge when you enter your first BAA show. Your dog will be allocated a BAA registration number which will be on your ring card. Please make a note of this number and use it on all future BAA show entries as it greatly assists in processing your entries, and ensures your league points tallies are maintained correctly.
